Quotes in the Media by Gender

4th Estate parsed through print coverage of election issues from November 2011 through May 2012. They tracked the gender of the sources quoted by these media, citing a quote as belonging to either, a man, a woman or an organization. This is the gender breakdown of quotes for four of the issues 4th estate tracked:

by Subject

	Male	Female	Organization
Abortion	81	12	7
Birth Control	75	19	6
Planned Parenthood	67	26	7

Opinions of Women and Society

In April 2013 and previously in September 1997, *NBC/WSJ* conducted a poll of opinions about women and society. In order of listing the questions read:

- 1. Generally speaking, women are paid less than men for doing the same kind of work (PAY)
- 2. The changes in American life caused by more women working outside the home have been worth making (CHANGES)
- 3. Most women can't "have it all"—a career and a family—without making a lot of sacrifices in both areas ("HAVE IT ALL")
- 4. The country would be better off if we had more women in political office (WOMEN IN OFFICE)
- 5. The country would be better off if we had more women in Senior management positions in business (**BUSINESS**)
